

# Save the Date: Community Roundtable

## *Please join us...*

at the **Continuum of Learning's Community Roundtable** for reports on local programs that are helping to raise educational attainment in Sangamon County by working toward one or more of these shared goals:

- To have every child in Sangamon County ready for kindergarten.
- To have every student performing academically at or above grade level.
- To have every student graduate with a plan for his/her future.
- To increase post-secondary educational attainment and have Sangamon County residents achieve their highest employment potential.

## *We hope to see you there!*

*The Continuum of Learning is a community initiative launched in 2008 to ensure that all in Sangamon County are "ready to learn, ready to work and ready to succeed."*
